BUSINESS & MARKETING EDUCATION

Program Director: Michele Marable
Degree: Master of Science in Education
Canisius is Transforming Education

Canisius has developed a new, clinically-rich Adolescence education program designed to provide you with the practical experience and knowledge you need to open the door to a new career in education.

The business and marketing education program is designed to develop, extend, and enhance the professional competencies of business and marketing education teachers. Completion of the program provides a master of science in education degree and satisfies the requirements for eligibility to apply for permanent/professional certification to teach business and marketing in New York State.

This program prepares career changers and college graduates to become teachers who make a difference in the lives of children. Our innovative curriculum immerses aspiring teachers in the classroom and integrates theory, practice, and content into daily teaching and learning. With our clinically-rich practicums, you will gain real world experience through field placements and student teaching in diverse educational settings. This in-depth training will provide you with the professional background to build your resume and allow you to enter your first classroom with confidence.

Prepare to succeed. The new curriculum is fully aligned with the New York State (NYS) standards for teacher preparation and will prepare you for the new NYS certification tests (http://www.nystce.nesinc.com) and edTPA (http://www.canisius.edu/academics/academic-schools/school-of-education/teacher-cert-changes.dot) assessments. Our focus is to provide you with the best possible teacher preparation to enable you to meet all certification requirements and become a transformational teacher.

As a graduate of this program, you will have the opportunity to earn your initial teaching certification as you earn your master’s degree, allowing you to teach in New York State. Canadian students (http://www.canisius.edu/admissions/grad-admissions/canadian) will be certified in New York and then eligible for certification in Ontario. Our graduates become part of a lifelong Canisius community of educators that make a meaningful difference in the lives of all students.

Classes begin in the Fall & Spring semesters.

Learning Goal 1 (KNOWLEDGE – Observed in Writing)
Candidates in the Teacher Education programs will demonstrate content knowledge, pedagogical, and professional knowledge necessary for successful performance in their field.

Teacher candidates will:
• Acquire knowledge of each student, and demonstrate knowledge of student development and learning to promote achievement for all students.
• Know the content they are responsible for teaching, and the pedagogical content knowledge to plan instruction that ensures growth and achievement for all students.

Learning Goal 2 (KNOWLEDGE – Observed Skills and Dispositions)
Candidates in the Teacher Education programs will demonstrate professional skills and dispositions necessary for successful performance in their field.

Teacher candidates will:
• Demonstrate professional dispositions and implement instruction that engages and challenges all students to meet or exceed the learning standards.

Learning Goal 3 (SERVICE)
Candidates in the Teacher Education programs will demonstrate willingness to use their skills to benefit and serve society. Within the contexts of their work, candidates promote authentic learning, social and emotional development, and a commitment to social justice in environments that foster respect for diversity and the dignity of all.

Teacher candidates will:
• Work with all students to create a dynamic learning environment that supports achievement and growth.
• Use multiple measures to assess and document student growth, evaluate instructional effectiveness, and modify instruction for diverse learners.

Learning Goal 4 (PROFESSIONALISM)
Candidates will demonstrate self-reflection as a habit of mind, continuously assessing and refining their professional practice as they construct a rich repertoire of research-based knowledge, skills, and attitudes for effective performance ensuring that all students and/or clients have optimal opportunities to learn and grow.

Teacher candidates will:
• Set informed goals and strive for continuous professional growth.
Learning Goal 5 (LEADERSHIP)
Candidates will become adept at applying their acquired knowledge in the process of evaluating their own professional performance and decision-making with respect to its impact on students and/or clients, organizations, and the wider community.

Teacher candidates will:
- Demonstrate professional responsibility and engage relevant stakeholders to maximize impact on student growth, development, and learning.

EDAD 502 Foundations of Adolescent Literacy 3 Credits
The theoretical and practical approaches to teaching skills of literacy in a variety of disciplines will be addressed. This course focuses on three strands of literacy teaching for adolescent students: Strategies for developing reading and writing skills in all secondary content areas, methods for teaching reading and writing in inquiry projects and problem based learning and pedagogical practices for integrating critical literacy in all secondary classrooms. Includes language acquisition and literacy development by native English speakers and students who are English Language Learners. Also includes skill in developing the listening, speaking, reading, and writing skills of all students. 30 hours of field experience required.

EDAD 534 Assessment of Student Learning 3 Credits
This course focuses on impacting student learning using contemporary practices of assessment and assessment-driven instructional planning. Varied assessment measures, especially authentic assessments based on real world tasks will be emphasized. A range of assessment tools to measure and document student learning and growth will be used to drive subsequent instructional planning.

Offered: fall only.

EDAD 535 Learning and Human Development: Adolescence 3 Credits
This course focuses on understanding the learning process, both as it develops in the adolescent learner and as it exists in the social setting of the classroom. Topics will include influential learning theories and developmental approaches, cognition, information processing, problem-solving, motivation and classroom management. Skills in applying this understanding to real-life situations will be stressed. Research findings are integrated with each topic. Emphasis is upon grades 7 - 12.

Offered: fall only.

EDAD 572 Pedagogical Strategies and Methods 3 Credits
This course focuses on traditional and contemporary methods of teaching dialogical, collaborative lessons. The use of multimodal and digital tools for developing content area lessons and units will be emphasized. Individual Sections focus on specific content areas.

EDAD 573 Applied Content: Literacies and Methods 6-12 Credits
This course combines theory and reflective practice to integrate and apply curricular, instructional, and evaluative skills in unit planning (aligned with state/national subject-specific standards). Methods for culturally relevant teaching as well as content-specific topics will be emphasized. Fifty (50) hours of field experience will be required. Individual sections focus on specific content areas.

EDAD 593 Student Teaching: Adolescence 6-12 Credits
Requires two supervised teaching placements in schools appropriate to certification level and includes experience in high- needs schools or schools serving socio-economically disadvantaged students.

Prerequisite: successful completion of required education courses and an overall QPA of 3.0. Some school districts may require tuberculosis or other health tests.
