

GRIFF CENTER FOR ACADEMIC ENGAGEMENT

The Griff Center for Academic Engagement (<https://www.canisius.edu/student-experience/student-support-services/griff-center>) represents a collaboration between the Office of Academic Affairs and the Office of Student Affairs that provides comprehensive programs, services, and resources to support student academic and career success and a transformative learning experience grounded in our Catholic, Jesuit mission. The Griff Center assists students in their academic and professional development and provides them with the support and assistance they need to become successful lifelong learners.

Strengths

The Griff Center uses StrengthsFinder to assist students in identifying and optimizing their strengths and applying them to all aspects of their lives. StrengthsFinder is used by hundreds of colleges and universities throughout the United States and it has been determined that students who are aware of their strengths are more likely to stay in college, earn higher GPA's, and find success securing internships and jobs.

A student's Strengths experience begins by taking the StrengthsFinder online assessment, which takes 20-30 minutes to complete. The top 5 talent themes are identified and this is the first step towards developing natural talents into strengths. The Griff Center helps guide students through the different themes, helps the student develop ways to incorporate their strengths into their daily life, and build upon them as they explore academic and career goals. Stop by the Griff Center to make an appointment to learn more about this great opportunity.

Undecided Majors

The Griff Center for Academic Engagement provides advisement for students who are still deciding on a major. By working collaboratively with the team of professionals within the Griff Center, students have exposure to career development tools and academic major exploration. The Griff Center provides comprehensive advisement that empowers students to take responsibility for their educational, career, and personal goals. Additionally, the Griff Center team is dedicated to creating a supportive and friendly atmosphere where students feel comfortable seeking assistance.
