The Griff Center assists students in their academic and professional development and provides them with the support and assistance they need to become successful lifelong learners.

The Griff Center includes the programs listed below and also hosts a variety additional workshops to build academic skills in the classroom and beyond.

**New Student Orientation**

New Student Orientation is the beginning of the journey for new students that provide a welcoming, informative, and incredibly fun start to their academic careers at Canisius. The program highlights a variety of academic supports and campus resources through informational sessions and activities.

**GRiFF 101 First-Year Experience Program**

This program is designed to help guide new students through the transition to college, connect with students who share similar interests, explore the many academic opportunities available, and prepare students for four great years at Canisius! Throughout the fall semester, students will discover firsthand the Jesuit tradition of cura personalis, care for the whole person — mind, body, and spirit. With over 40 themes offered, the GRiFF 101 experience is sure to be filled with fun. This is an opportunity to connect on a regular basis with advisors who facilitate GRiFF 101, engage in interesting experiences, and meet new people.

The GRiFF 101 experience will include three mandatory workshops on the following important topics:

- Step Up Griffs! (Bystander Intervention)
- Explore, Experience, Engage – Using Your Strengths
- Griffs with Grit! Being Resilient in the Classroom and Beyond!

**Strengths**

The Griff Center uses StrengthsFinder to assist students in identifying and optimizing their strengths and applying them to all aspects of their lives. StrengthsFinder is used by hundreds of colleges and universities throughout the United States and it has been determined that students who are aware of their strengths are more likely to stay in college, earn higher GPA’s, and find success securing internships and jobs.

A student’s Strengths experience begins by taking the StrengthsFinder online assessment, which takes 20-30 minutes to complete. The top 5 talent themes are identified and this is the first step towards developing natural talents into strengths. The Griff Center helps guide students through the different themes, helps the student develop ways to incorporate their strengths into their daily life, and build upon them as they explore academic and career goals. Stop by the Griff Center to make an appointment to learn more about this great opportunity.
