Study Abroad Requirements
Modern Languages, Literatures and Cultures majors are required to study abroad for a minimum of four consecutive weeks in a formal pre-approved program in the target language. Language majors who choose to spend a semester abroad at a foreign university may count up to three courses as a Modern Language core or elective as long as these courses are taught in the target language and have been pre-approved by the chair of the department of Modern Languages, Literatures and Cultures. Students who spend more than one semester at a foreign university may count an additional two courses as a Modern Language core or elective as long as these are taught in the target language and have been pre-approved by the chair of the department of Modern Languages, Literatures and Cultures. Dual majors in two languages are required to study abroad for both target languages. Credits for short programs abroad are determined by the number of contact hours. As a general rule, students complete the 200-level sequence or the equivalent and one 300 level course at Canisius College prior to studying at a foreign university. Consultation with a department of Modern Languages, Literatures and Cultures academic advisor is required prior to study abroad. Students must complete at least one course in the major upon return to Canisius College.

Cultural Requirement
Over the course of the semester, each student in the Department of Modern Languages, Literatures and Cultures will participate in or attend two cultural events or activities outside regular class time. Please consult the department for a listing of these offerings.

Dual Majors
French majors often pursue more than one major. Students are encouraged to consult advisors in both majors to determine course sequencing to complete the requirements of both majors.

1 For students double majoring in a language and Adolescence Education, the 200-level language courses are waived if students start at the 300-level. Thus, students only need 10 language courses to complete the major. For students double majoring in a language and Childhood Education, students must complete a total of 10 language courses. So if students begin at the 300-level credits, they must complete two additional electives in lieu of the 200-level courses.
