TEACHER EDUCATION - EDU

EDU 100 Exploring the Teaching Profession 3 Credits
This course introduces the study of education and teaching, with opportunities for students to examine and evaluate this career choice. The course utilizes a field-based component to connect seminar session topics with actual classroom practice. In addition to reflection on their experiences, students will examine the following critical topics in schools: current initiatives and issues, exemplars of good teaching, diverse needs of students, curriculum, culture, organization, and the multiple roles and professional and ethical expectations of teachers. Most importantly, it is mission-centric in that it promotes teachers' roles as change agents for social justice. Students will complete a 10-hour Service Learning experience in a local public school.
