COURSE REGISTRATION

The college year consists of two regular semesters, fall and spring, plus several summer sessions of varying lengths. Several programs offer courses in the fall and spring semester that last only a portion of the semester.

The unit of instruction is the semester hour or credit hour, which consists of the equivalent of one lecture period of 50 minutes (hereafter called a contact-hour) each week for the entire semester (approximately 15 weeks). In addition to the time in class, students are expected to complete approximately twice as much time outside of class working on the course and its materials.

1. The general expectation for one credit hour is one contact-hour of classroom or direct faculty instruction and a minimum of two hours of student work completed outside of the classroom each week for approximately fifteen weeks for a traditional semester, or the equivalent amount of work over a different period of time; or
2. For other academic activities (including laboratory work and other academic work leading to the award of credit hours), an amount of work at least equivalent to that required in the above definition, as determined by the College.

In practice, a credit hour or semester hour consists of a minimum of 750 minutes of class time during a semester.

A course having three 50-minute class periods a week will, therefore, earn three semester hours of credit. Other meeting patterns will also fulfill the required contact time. The number of semester credits to be earned in a given course is always indicated by the number after the course title.

Registration Processes

Students register for courses on-line through myCanisius. Once registration has opened, students are encouraged to register as early as possible. Students are required to consult with their advisors each semester to insure that they are taking the proper courses.

Students who have not completed registration will not be admitted to class. It is the responsibility of the all students to be aware of registration procedures.

Prerequisites

Some courses have prerequisites that must be met before a student can register for the course. Prerequisites include such requirements as the successful completion of previous courses, concurrent registration in another course, permission of the instructor or chair, and specific GPA and course grade requirements. A student may not register for a course where prerequisites are indicated unless the prerequisites have been successfully completed.

Note: For two-semester courses that are listed with one title and description (e.g., ACC 711-ACC 712), it is understood that successful completion of the first semester is a prerequisite for admission to the second half of the course.

Course levels

The numerical sequence used at Canisius College indicates the following:

Courses numbered 100-499 are undergraduate courses, and courses numbered 500 and higher are graduate courses.

Course Offerings

The information listed in this catalog about course availability and when courses will be offered was provided by chairs and program directors based on their planned course offerings and are intended to provide students with guidance as they produce their schedules. However, schedules are subject to change, especially when the availability of appropriate instructors changes. Actual course offerings are listed in the online course schedule produced each semester by the Student Records and Financial Services Center.

Immunization Requirements for Class Attendance

Measles, Mumps, Rubella

New York State law requires all students taking six or more credits, attending any classes on campus, and born on or after January 1, 1957 to provide proof of immunity against measles, mumps and rubella to the Student Health Center prior to class attendance. Students must submit proof of two doses of measles (rubella) vaccine, one dose of rubella (German measles) vaccine and one dose of mumps vaccine, given on or after their first birthday and after 1967.

Meningitis Requirement

All students registered for 6 or more credits and attending class on campus, regardless of birth date, are required to receive information about the risk of meningococcal disease and the benefit of vaccination. Students are required to read the information and either obtain the meningitis vaccine or sign a vaccine refusal statement within thirty days of first class attendance.

SUBMISSION DATES AND NON-COMPLIANCE

Immunization records, must be submitted by July 31 for fall attendance and January 1 for spring attendance. Summer students must submit records before their first day of class. Non-compliance with health requirements results in registration cancellation, removal from college housing, and inability to register with the college for future semesters. If registration is cancelled, a student will be reinstated once the health forms are submitted and deemed complete. Canisius College charges an immunization reinstatement fee. To view the fee click here (https://www.canisius.edu/admissions/registration-transcripts/student-records-financial-services/cost-attendance/). Compliance with New York State health requirements is strictly enforced across the campus.

Students taking online courses only are generally exempt from these requirements; however some online programs have established stricter immunization requirements. On line students should discuss health requirements with Admissions or their program directors.

The Student Health Center website (https://www.canisius.edu/student-experience/student-support-services/student-health/) has detailed information about health requirements and links to the required forms.

Students enrolled in the Physician Assistant Studies program have additional immunization requirements. Information about those requirements and deadline for submission to Student Health is available in the Physician Assistant Program Handbook.

Physical Examination Requirement

All full time undergraduates and all international students (graduate and undergraduate) studying on an F1 Visa are required to submit a complete
物理检查表需于7月31日递交至学生健康中心以确保秋季学期的出席和1月1日以确保春季学期的出席。

研究生若参与了护理助理研究生项目，则需每年进行一次身体检查。有关这项要求和递交截止日期的信息，可参见该项目的手册。

Drop/Add Period

在秋季和春季学期的第一个完整周是Drop/Add周，学生可在此期间无罚金地增减课程（详情请参见学年日历）。此后，需遵从退学程序。除授权退学外，不得在学期初后的任何周进行课程的增删。

Course Withdrawal

欲退课的学生需完成Class Withdrawal Form（网上申请表）。一旦申请提交，它将被自动转递至相应的部门进行审批，并返回给学生，直至最终确认并提交后，才能被学生记录中心处理。未提交退课申请将意味着自动“F”级成绩被录入到学生的记录中。

退课的截止日期列于官方学年日历（http://catalog.canisius.edu/graduate/academic-calendar/）。夏季课程也具有自己的退课截止日期。

退课自动被记为“W”（退课）于该课程。通常情况下，学生不得在截止日期之后退课。但在非常特殊的情况下，学生可能要求从教务长和课程老师处获得退课的许可。这种许可将很少授予，且仅在极特殊情况。要求退课的书面理由是所有退课都需提交的。
