MGT 673 Comparative Management 3 Credits
This course emphasizes the students' development as international managers and their understanding of the various environments within which they will be competing. Students study the impact of culture and value differences on the functional aspects of management -- communication, negotiation, decision making, control, and human resources -- and develop strategies for managing them in the international marketplace.
Offered: every spring.

MGT 680 International Business Seminar 3 Credits
Two to three weeks of travel in Europe, either between the fall and spring semesters or in the summer. Gives exposure to the international business environment and to business practices outside the U.S.A. Each of these trips involves programmed visits to international businesses, government agencies, and/or nonprofit organizations, as well as substantial free time. Contact the Management/Marketing department at 888-2640 for details of each trip. The course grade depends on the student's participation in question and answer sessions at the presentations as well as the quality of a paper to be written upon the student's return.
Offered: Spring.

MGT 686 Doing Business in the European Union 3 Credits
This course is designed to prepare students to do business in the EU. Students examine the forces leading to the development and the implementation of the unique economic and political unit called the European Union. Students use their understanding of the history and the current issues impacting the continuing development of the European Union to develop strategies for doing business in the European Union.
Restriction: includes a one-week field experience in Europe during spring break.
Offered: every spring.

MGT 690 Strategic Management and Leadership 3 Credits
Developing strategies for successful business operation and hands-on business analysis focusing on problem solving; student teams work with current business problems using analytical tools and skills developed from other courses. Pre-requisites: All foundation last or second last semester in program
Prerequisite: ECO 822, ECO 823, ACC 824.
Offered: every spring.

MGT 825 Leadership in Organizational Behavior 3 Credits
This course is designed to enrich students' understanding of behavior in organizations. Course study draws on the behavioral and social sciences to explore organizational phenomena in terms of individuals, groups and total organizational systems. The course stresses the role leadership plays in creating effective organizations, meeting employee needs, managing power relationships and revealing meaning in contemporary organizations.
Offered: every fall.

MGT 847 Operations Planning and Control 3 Credits
Operations management involves the planning, coordinating and executing of all activities that create goods and services. The subject matter includes, but is not limited to, productivity, competitiveness, operations strategy, quality management, facility layout, new technologies, inventory management, just-in-time, demand and capacity planning within the firm.
Prerequisite: ECO 822 OR ECO 503.
Offered: every spring.

MGT 890 Strategy Management and Leadership 0 Credits
Students complete this course before MBA 897. The course lays the foundation to developing strategies for successful business operation and hands-on business analysis focusing on problem solving; student teams work with current business problems using analytical tools and skills developed from other courses. Students in One Year MBA Program only
Prerequisite: ECO 822, ECO 823, ACC 824.
Offered: every spring.

MGT 897 Strategic Management & Leadership 3 Credits
Developing strategies for successful business operation and hands-on business analysis focusing on problem solving; student teams work with current business problems using analytical tools and skills developed from other courses.
Offered: every summer.
