

# ADOLESCENCE ED/ STUDENTS WITH DISABILITIES (ALL GRADES) (MSEd)

Department Chair: Marya Grande, PhD

This Master of Science Degree Program at Canisius is designed for those dedicated to meet the needs of adolescent students as well as students with disabilities at all grade levels, placing a strong emphasis on theory, research and practicum experience. The curriculum enables candidates to develop an understanding of etiology, related psychological and social factors and techniques proven effective for teaching students with diverse learning needs.

This program prepares candidates for *Initial and Professional Certification in Special Education All Grades (PreK-12)*, and provides an option for candidates to earn a second *Initial and Professional Certification in Adolescence Education* in a specific content area.

## Grade Requirements

Graduate students enrolled in initial certification programs must achieve a C or above in all course requirements and a B- or above in all graduate program coursework. Failure to meet these requirements will require repeating the course &/or completing additional coursework.

## Licensure Disclosure

Canisius University cannot determine whether completion of this program would be sufficient to meet licensure requirements outside of New York State for the intended occupation. We advise you to contact your state licensing board or appropriate licensing entity (<https://canisius.atlassian.net/wiki/spaces/AcadAffairs/pages/34964198/Professional+Licensure+Notification/>) to determine whether the program meets requirements for Professional Licensure in the state where you are located or the state in which you intend to pursue licensure. Please contact the associate dean of your school if you have further questions.
