ADOLESCENCE ED/SWD GEN 7-12 (MSED)

Chair: Barbara Burns, PhD.

The Special Education Master of Science Degree Program at Canisius is designed for those dedicated to meet the needs of students with disabilities, placing a strong emphasis on theory, research and practicum experience. The curriculum enables candidates to develop an understanding of etiology, related psychological and social factors and techniques proven effective for teaching students with diverse learning needs.

This program prepares candidates for Initial and Professional Certification in Adolescence SWD Generalist 7-12, and provides option for candidates to earn a second Initial and Professional Certification in Adolescence Education in a specific content area.

Initial SWD Adolescence Generalist 7-12 Pedagogical Prerequisites for Candidates Without Prior Certification

These prerequisites may be taken at the graduate or undergraduate level, at Canisius or another college offering teacher certification programs, and may be taken concurrently with the graduate program.

- Adolescence Human Growth and Development
- Inclusive Strategies
- Foundations of Adolescent Literacy
- Evaluation and Teaching Strategies
- Methods of Teaching in the Content Area
- Foundations of Education.

Middle Childhood

Candidates wishing to obtain an extension to teach grades 5-6 in a content area must add a middle childhood extension (http://catalog.canisius.edu/graduate/school-education-human-services/educator-preparation/middle-childhood-extension/).

SWD Generalist Content-Area Extensions

The Adolescence Students with Disabilities Generalist certification is not attached to typical adolescence content areas. However, with 18 credits in an academic content area a candidate will be qualified to add a certificate extension in the content area in addition to the Students with Disabilities Generalist certificate for grades 7-12.

Learning Goals & Objectives

Learning Goal 1 (KNOWLEDGE – Observed in Writing)
Candidates in the Teacher Education programs will
demonstrate content knowledge, pedagogical, and
professional knowledge necessary for successful
performance in their field.
Teacher candidates will:
• Acquire knowledge of each student, and demonstrate knowledge of
  student development and learning to promote achievement for all
  students.
• Know the content they are responsible for teaching, and the
  pedagogical content knowledge to plan instruction that ensures growth
  and achievement for all students.

Learning Goal 2 (KNOWLEDGE – Observed Skills and Dispositions)
Candidates in the Teacher Education programs will
demonstrate professional skills and dispositions necessary
for successful performance in their field.
Teacher candidates will:
• Demonstrate professional dispositions and implement instruction that
  engages and challenges all students to meet or exceed the learning
  standards.

Learning Goal 3 (SERVICE)
Candidates in the Teacher Education programs will
demonstrate willingness to use their skills to benefit
and serve society. Within the contexts of their work,
candidates promote authentic learning, social and emotional
development, and a commitment to social justice in
environments that foster respect for diversity and the
dignity of all.
Teacher candidates will:
• Work with all students to create a dynamic learning environment that
  supports achievement and growth.
• Use multiple measures to assess and document student growth, evaluate
  instructional effectiveness, and modify instruction for diverse learners.

Learning Goal 4 (PROFESSIONALISM)
Candidates will demonstrate self-reflection as a habit of
mind, continuously assessing and refining their professional
practice as they construct a rich repertoire of research-
based knowledge, skills, and attitudes for effective
performance ensuring that all students and/or clients have
optimal opportunities to learn and grow.
Teacher candidates will:
• Set informed goals and strive for continuous professional growth.

Learning Goal 5 (LEADERSHIP)
Candidates will become adept at applying their acquired
knowledge in the process of evaluating their own
professional performance and decision-making with respect
to its impact on students and/or clients, organizations, and
the wider community.
Teacher candidates will:
• Demonstrate professional responsibility and engage relevant
  stakeholders to maximize impact on student growth, development, and
  learning.
