Our Mission

Canisius College, a Catholic and Jesuit university, offers outstanding undergraduate, graduate and professional programs distinguished by transformative learning experiences that engage students in the classroom and beyond. We foster in our students a commitment to excellence, service and leadership in a global society.

At the Core of Our Mission

Catholic & Jesuit

Canisius is an open, welcoming university where our Catholic, Jesuit mission and identity are vitally present and operative. It is rooted in the Catholic intellectual tradition’s unity of knowledge and the dialogue of faith and reason. Founded by the Society of Jesus as a manifestation of its charism, Canisius espouses the Jesuit principles of human excellence, care for the whole person, social justice, and interreligious dialogue. Jesuit spirituality calls us to seek God in all things and Jesuit education aims to form students who become men and women for and with others.

Transformative Learning & Student Engagement

Steeped in Jesuit ideals, our undergraduate and graduate academic programs are distinguished by academic excellence, student-faculty interaction, and a variety of experiential learning opportunities that engage students and transform mind and spirit. Our undergraduate core curriculum enriches students’ academic pursuits and delivers a strong foundation in liberal arts, critical thinking, and diversity. Graduate and professional programs promote the application of theory to practice.

Service & Leadership

Benefiting from academically-rich, values-based experiences in their interactions with faculty, staff, and community members, students develop their abilities to lead and inspire others. At Canisius, students practice these leadership skills in the classroom and through co-curricular activities in ways that animate our Jesuit values to serve others and benefit our world.

Faculty
Regardless of the program of study, students will find experienced faculty
who are committed to providing a challenging yet supportive environment
to help them reach their goals. The college seeks faculty members known to
be creative and energetic teachers who also seek to engage their students
in their research and scholarship. With modest class size the norm (the
student-faculty ratio is 11:1), interaction between students and faculty
makes for an easy and natural learning and working environment, in which
professors take a personal interest in their students. Moreover, 98 percent
of faculty at Canisius hold a PhD or other terminal degree.

Accreditation
Canisius College is accredited by numerous national organizations. These
accreditations serve as testament to the excellent quality of a Canisius
education.

Canisius is an accredited member of the Middle States Commission on
Higher Education. The college’s Middle States accreditation was reaffirmed
in 2015.

All of the college’s programs are registered by the Regents of the University

meet the rigorous standards of AACSB International Accreditation.

The chemistry major is accredited by the American Chemical Society.

The programs of the School of Education and Human Services designed to
prepare students for school-based careers are accredited by the Council
for the Accreditation of Educator Preparation. The agency praised the
college for “displaying the high quality necessary to be granted national
accreditation” and noted its programs ‘met rigorous standards set forth by
the education community.’

The Andrew L. Bouwhuis (ALB) Library
The quality of any educational institution is determined largely by the
proficiency of its faculty and the excellence of the information resources
available to support the curriculum.

Canisius students have at their disposal an excellent library collection to
support student research. The library also subscribes to thousands of full
text electronic journals, and hundreds of article databases and print journals.
Electronic resources can be accessed from computer labs and residence
halls on campus and remotely from any connected device. A substantial
complement of equipment, including computers, printers, cameras (digital
still or video), projectors, headphones (with or without microphones); e-
book readers and SmartBoards are also available to students.

The library is outfitted with a variety of study and workspaces; a Curriculum
Materials Center for K-12 teacher training; group workrooms; audio-visual
areas to practice presentations; and a Tim Hortons coffee shop.

The Rev. J. Clayton Murray, S.J. Archives & Special Collections, located in
the library, houses information related to the history of Canisius College.
It also holds unique materials with strengths in civil rights and social justice,
Catholicism, philosophy, local history, and rare books dating to the 15th
century. Visitors and researchers are welcome.
Computer Facilities

Wireless networking is available across campus and there are several Internet Plazas where students can check their electronic mail, access the web or utilize the extensive online research databases provided by the Andrew L. Bouwhuis Library. Additionally, residence halls are wired for satellite TV and Internet access.

Instructional computing facilities include over 300 personal computers, as well as scanners and printers. Computers in student labs are equipped with word processing, spreadsheet, database, presentation, web development, and statistical analysis software.

Canisius College supports an extensive website and portal (myCanisius) that includes web-based electronic mail, course materials, course discussion boards and course registration. The myCanisius portal can be reached from the Canisius web site (http://www.canisius.edu).

Most instructors post course materials in our learning management system, Desire2Learn (D2L), which is accessed through myCanisius.

Koessler Athletic Center

The focal point of all campus sports activity is the Koessler Athletic Center (https://www.canisius.edu/about/campus/signature-facilities). Better known as “the KAC,” the center houses the Physical Education and Athletic departments, and is the site of intercollegiate, intramural, recreation and local high school sporting events.

The KAC is comprised of a multi-purpose gymnasium, swimming pool, training room, rehabilitation room, a weight room, several classrooms and offices for the departments of Athletics and Kinesiology. It is also home to the Canisius College Sports Hall of Fame.

Adjacent to the KAC is the Patrick Lee Student Athletic Center, which is available to all Canisius students for recreational and intramural activities. The facility has two full basketball courts, three volleyball courts and an indoor batting cage.

Directly adjacent to the KAC is the Demske Sports Complex, a multi-use, all-purpose, all-weather artificial A Turf field that is home to the Golden Griffin soccer, lacrosse, baseball and softball teams.
