STUDY ABROAD

Students who study abroad say that it is a life-changing experience. Whether
you spend a semester, a summer, or a year abroad, living and learning in
another country will open the doors to unique personal and professional
experiences as well as improve foreign language skills. Some programs
enable students to work as volunteers or interns during their stays and
combine language and culture courses with their academic work. The Office
of Study Abroad (https://www.canisius.edu/study-abroad/) and International
Partnerships (https://www.canisius.edu/global-education/international-
student-programs/) is continually improving and increasing the options made
