DIGITAL INFORMATION AND APPLICATIONS MINOR

The Applied Digital Studies Minor requires a total of 6 courses or 5 courses plus an internship or research project. Please note, a minimum of one half of the courses taken must be courses not counted within the student’s major (particularly applies to Computer Science and Economics students). In addition, the optional internship or research project may be done after at least 4 courses in the minor are complete, and the research project must use methods from the minor.

Curriculum

<table>
<thead>
<tr>
<th>Code</th>
<th>Title</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>CSC 111</td>
<td>Introduction to Programming</td>
<td>4</td>
</tr>
<tr>
<td>&amp; 111L</td>
<td>and Introduction to Programming Laboratory</td>
<td></td>
</tr>
</tbody>
</table>

Select one of the following statistical courses: 3-4

- ECO 255 Business Statistics
- MAT 131 Statistics for Social Sciences
- MAT 141 Inferential Statistics and Computers for Science
- MAT 351 Probability & Statistics I

Select one course from the Math, Science, and Logic electives listed below 3-4

- MAT 191 Introduction to Discrete Mathematics
- MAT 219 Linear Algebra
- PHI 225 Logic
- SOC 315 Geographical Information Systems (GIS) for the Social Sciences

Select one course from the Application of Technology electives listed below 3

- CSC 480 Research Experience
- DMA 201 Introduction to Digital Media
- DMA 217 Interaction Design
- DMA 370 Designing for Mobile Devices
- DMA 442 Advanced Web Design
- PHI 246 Ethics of Technology
- PHI 225 Research Experience

Total Credits 17-24

Math, Science, and Logic Electives (select at least one course)

Roadmap

This minor can be useful for various majors. For example, a student majoring in history may be interested in pursuing a field of study in forming and maintaining databases. An English major may be interested in pursuing a career in web-based media. The following roadmaps provide examples of courses that would be useful for students in these majors.

The following roadmaps are provided as examples based on different majors and courses of study. Students interested in the minor are strongly encouraged to speak with Dr. David Sheets, the coordinator of the program, for an individualized plan.

History Major Sample Roadmap

Sophomore

Fall
- CSC 111
- CSC 112

Spring
- CSC 111
- CSC 112

Junior

Fall
- MAT 131
- CSC 310
- & 310L

Spring
- MAT 131
- CSC 310
- & 310L

Senior

Fall
- PHI 225
- Spring
- PHI 246
