## Program Experience

Many students take the opportunity to gain practical experience in an art institution through a Museum Internship course in addition to the minor requirements. Art history students have interned at the Albright-Knox Art Gallery, the Darwin Martin House Complex, the Buffalo History Museum, the Buffalo Central Terminal Restoration Corporation, Hallwalls Contemporary Arts Center, the Castellani Art Museum, the Buffalo Niagara Heritage Center, and the Western New York Book Arts Center.

Minors are an important part of the undergraduate curriculum. If students declare a minor by sophomore year, they can usually complete it in a timely manner. Students should work with their advisor to determine if it is possible that the minor can be completed by graduation.

To receive a minor, a student must complete at least 9 credit hours of coursework distinct from their major(s) and from other minors, and students must complete more than 50% of the coursework required for the minor at Canisius. Please note that "ancillary/supporting" courses required for a major may still count as distinct courses as long as the remaining coursework still meets the 30 credit-hours required for a major. For more information about minor policies, please see the Declaring Majors and Minors (<http://>
