Students may substitute ECO 330 or ECO 411 for ECO 311. Other substitutions may be made at the discretion of the Department Chair and need to be approved in advance.

Please note, to receive a minor, a student must complete at least 9 credit hours of coursework distinct from their other credentials (i.e., majors, other minors). Please note that “ancillary/supporting” courses required for a major may still count as distinct courses as long as the remaining coursework still meets the 30 credit-hours required for a major.
