**ENV 200 Introductory Hydrology**
Introduction to hydrologic processes, methods for quantifying hydrologic parameters and processes, and practical exposure to conducting and reporting hydrological studies.  
**Offered:** Spring 2021.

**ENV 200L Introductory Hydrology Laboratory**
Introductory methods and applications of Hydrology.  
**Offered:** occasionally.

**ENV 352 Environmental Science Seminar I**
Designed to provide environmental science students the opportunity to learn various methods of preparing scientific/experimental information for written format and oral presentation. Career preparations are also included. 
**Offered:** every spring.

**ENV 354 Environmental Science Seminar II**
This course will provide Information about a variety of careers in the field of environmental science. Students will also give presentations on their internship experiences. Required in junior or senior year. 
**Prerequisite:** ENV 352. 
**Offered:** spring of odd-numbered years.

**ENV 401 Independent Research**
Independent laboratory research in environmental science conducted under the supervision of a faculty member. Arrangements must be made prior to registration. 
**Prerequisite:** written permission of faculty member & program director. 
**Offered:** fall & spring.

**ENV 498 Environmental Science Internship I**
Practical experiences in the environmental sciences. Students must complete two internships in different areas of environmental sciences. Internships require an application and approval by the associate dean. 
**Prerequisite:** junior or senior standing, minimum GPA of 2.0 in the major, a positive recommendation from a faculty member, & a completed & approved internship application. 
**Offered:** fall & spring.

**ENV 499 Environmental Science Internship II**
Practical experiences in the environmental sciences. Students must complete two internships in different areas of environmental sciences. Internships require an application and approval by the associate dean. 
**Prerequisite:** junior or senior standing, minimum GPA of 2.0 in the major, a positive recommendation from a faculty member, & a completed & approved internship application. 
**Offered:** fall & spring.
