

ANIMAL BEHAVIOR MINOR

The Animal Behavior Minor is designed for students who want to concentrate on animal behavior as a topic of study. This minor is open to any student from any major, except ABEC.

Code	Title	Credits
Required Courses		
ABEC 101	Introductory Animal Behavior I	3
ABEC 102	Introductory Animal Behavior II	3
Additional Courses		
Select 12 credits from the following:		12
ABEC 219	Diversity of Life	
ABEC 220 & 220L	Animal Learning and Animal Learning Lab	
ABEC 301	Research Participation (credit)	
ABEC 332	Animal Welfare	
ABEC 333	Conservation Behavior	
ABEC 339	Animal Enrichment	
ABEC 340	Research Methods in Animal Behavior	
ABEC 346	Integrative Behavior	
ABEC 348	Wildlife & Climate Change	
ABEC 360	Observational Research Methods	
ABEC 365	Animal Communication	
ABEC 370	Animal Cognition	
ABEC 491	Internship 1 (Animal Behavior based)	
ABEC 492	Internship 2 (Animal Behavior based)	
BIO 312	Primatology	
BIO 317	Sex, Evolution and Behavior	
Total Credits		18

Minors are an important part of the undergraduate curriculum. If students declare a minor by sophomore year, they can usually complete it in a timely manner. Students should work with their advisor to determine if it is possible that the minor can be completed by graduation.

To receive a minor, a student must complete at least 9 credit hours of coursework distinct from their major(s) and from other minors, and students must complete more than 50% of the coursework required for the minor at Canisius. Please note that “ancillary/supporting” courses required for a major may still count as distinct courses as long as the remaining coursework still meets the 30 credit-hours required for a major. For more information about minor policies, please see the Declaring Majors and Minors (<http://catalog.canisius.edu/undergraduate/academics/student-records/declaring-majors-minors/>) page in the catalog.
