The CPD’s diverse program options provide individuals with opportunity to advance their career, regardless of role or experience. Led by distinguished faculty at Canisius College as well as by Western New York business experts, the CPD’s programs are targeted at enhancing the skills leaders require to be successful in today’s business climate. Located on the Main St. campus of Canisius College in Science Hall, many of the non-credit bearing seminars, professional development workshops, training and other programs offered by the CPD are open to enrollment by students, alumni and members of the community. #### The Women’s Business Center

Located in Science Hall, the Women’s Business Center (WBC) empowers entrepreneurs to succeed through education, connections and community by developing leaders, fostering opportunities and building collaboration. The WBC was established by the Richard J. Wehle School of Business in 2003 to support the success of entrepreneurs and small business owners with a focus on women in Erie County and the surrounding region including Buffalo, Rochester, Jamestown and Niagara Falls. The WBC provides services in small business development: training, counseling, coaching, and networking. Networking serves as a major component of all programs to ensure that every participant has made appropriate connections with business and community resources.
